Latin Percussion Afuche Cabasa Model 234A

Invented over 40 years ago by founder Martin Cohen, the LP Afuche/Casaba has become one of the most essential percussion instruments in history. Loops of steel bead chain wrapped around a specially textured, stainless steel cylinder that produce a mulitude of scraping rhythmic patterns. The larger the size of the instrument, the louder the volume.

Price: \$61.00 Original price was: \$61.00.\$52.00 Current price is: \$52.00.
